## CFPA Lunch Meeting

Presentation: **Update from Denver Fire Department, Systems Testing Group**

Come join us at the Colorado Fire Protection Association meeting at Merrick & Company HQ, on Thursday, January 19<sup>th</sup>, starting at 11:45 AM. Lunch will be provided. This will be a joint meeting with Society of Fire Protection Engineers – Rocky Mountain Chapter (SFPE-RMC) and Rocky Mountain Fire Alarm Association (RMFAA).

**Presentation Topic:**

Update from the Denver Fire Department, Systems Testing Group. Topics discussed will include systems testing, including the referenced DFD testing guide (link provided below), DFD inspections programs of existing buildings, and fire safety systems installer licensing / testing.
